## AT A GLANCE

### Who we are

Covestro is a global leader in developing high-tech materials that make the world a brighter place. Our innovative solutions help make cars lighter and more fuel efficient, mattresses more comfortable, electronics better protected and homes better insulated – all while driving toward a more circular economy. Our vision? To become fully circular.

### Our products

*Did you know? You're never more than six feet away from a Covestro product!*

We produce materials that are transformed into products you use and see every day – from the adhesives holding your shoes together to the plastic casing that protects your laptop! Our diverse product portfolio spans nearly every industry, including automotive, construction, electronics, furniture, healthcare and sports.

**AT A GLANCE**

ESTABLISHED EARLY 1966 | EMPLOYEES ROUGHLY 75

730 Main Street, Wilmington, MA, 01887

## Our local presence

Surrounded by greenery, the facility in Wilmington, Mass., sits on 33 acres of wetland and wooded areas. This unique site not only serves as a research and development hub for specialty resins, but is also where Covestro manufactures waterborne urethane dispersions and urethane acrylics. The Wilmington site produces multiple products in the Decovery® line, which are made from plant-based resins, helping contribute to a more sustainable future.

## Giving back to our communities

Our passionate employees have countless opportunities to take their talents to the communities where we live, work and play, by helping non-profits solve business challenges, raising funds for a good cause, sharing our excitement for science with the next generation, and inspiring a cleaner future.
